

Canvas for Parents

Canvas is Aitkin Public School's Learning Management System (LMS)

For more information, visit: <u>https://community.canvaslms.com</u>

The use of a Parent Observer account is designed to enable parents to assist their children in their studies, provide assistance with access and to monitor assignments and other activities assigned by teachers. One parent account can be linked to multiple children and children can be linked to multiple parents.

How to sign up for a Parent Observer account

Your student(s) must sign in to their Canvas account and generate a pairing code following steps 1-3 below. A different pairing code must be generated by each student for each parent/guardian observer.

1. Open Settings

2. On the right side of the screen, click on "Pair with Observer"

3. Write down the 6-digit pairing code to be entered into Step 5 below.

Pair with Observer ×	
Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use.
