*Students not currently in band who wish to register for 7th grade band ***MUST*** get permission from Mr. Meeks ***BEFORE*** handing in this form! (see the Course Information sheet)

I understand that registering for **Choir and/or Band** is a full year commitment and students will not be allowed to drop out of either class during the year.

PARENT SIGNATURE _____

OVER -->

6th grade Parent/Guardian,

It is time for your child to register for 7th grade courses! Please read both the gold Registration Form and the white Course Information sheet fully as they contain essential information.

The frontside of this letter is your child's registration form.

The following is the process of how to complete your child's registration form.

STEP 1: Decide which option (#1-4) your child would like to register and mark the appropriate box(es).

- **If choosing Opt. #1:** your child's schedule will have room for *TWO* of the three quarter-long electives, mark the two your child would prefer to take.
- **If choosing Opt. #2:** your child's schedule will have room for *all* three quarter-long electives.
- **If choosing Opt. #3 or #4:** your child's schedule will have room for *ONE* of the three quarter-long electives; mark the one your child would prefer to take.

STEP 2: Sign on the Parent Signature line. Then your child's form is complete!

STEP 3: Return the registration form to your child's 6th grade teacher by: **Wednesday, March 6th**

Additional Notes:

- 1) Choir takes place during Homeroom so students in Choir will have Homeroom every other day for the full year.
- 2) Students in Band will have Physical Education all year; the classes are held on alternating days during the same hour.
- 3) Students *not* in Band or Choir are required to take a quarter of Music Exploration. See the course description for additional details regarding this class.
- 4) We try to place students in all the elective(s) they request. Please know this is not always possible due to class sizes and layout of courses.
- 5) Throughout the year, students struggling academically may be placed in a smaller, structured homeroom per teacher recommendation for a period of time in order to receive more individualized assistance.

Look Ahead To:

Sneak Peek at Middle School – in May – the 6th graders will come to the high school for approximately 1.5 hours during the school day for transition activities!

7th grade Orientation/Open House – late August – information regarding this will be sent out over the summer.

Please feel free to contact me with any questions. It was fun seeing the 6th graders today and talking with them about middle school classes. I look forward to working with them and you next year!

Sincerely,

Sammy Croatt
School Counselor, grades 7-9
