Rental Policy

The Aitkin Schools desire to cooperate with community organizations by making school facilities available when there is not a conflict with the educational program. For service organizations, such as PTO, Lions, Jaycees, Quarterbacks, Legion, 4-H, Boy and Girl Scouts, and political parties, there is no rental charge for facility use.

Private businesses, individuals, and religious organizations are assessed a fee as outlined in the District Policy DFD. There is a charge for any extra custodial work that is necessary or, if the kitchen is used, for a cook's time.

During the school year there are custodians on duty each school night and usually there is no charge for their time when they are already working. There will be a charge for refuse disposal and air-conditioning in the auditorium when that is requested.

Persons and organizations wishing to use school facilities should go to the District Office to sign the rental form and to review board policy. This should be done well in advance to ensure reserving the date.

Athletic fields and other outside areas also need to be reserved.
